Re: Wayne Clegg

Dear Mr. Jones:

Thank you for your response to our identification questionnaire concerning Mr. Wayne Clegg, who is applying to serve as Scoutmaster of Troop 68. From the information you provided, it is certain that your Mr. Clegg is the same individual as one on whom we have information. We, therefore, regret to inform you that we cannot accept Mr. Clegg's application.

When informing Mr. Clegg about this, simply tell him that the National Council does not wish to accept his registration in the Boy Scouts of America. If Mr. Clegg should raise any questions as to reason, you might indicate to him that registration in the Boy Scouts of America is a privilege and not a right and that the National Council reserves the prerogative to accept those individuals it feels will best serve the interests of the organization.

We are herewith enclosing a credit notice of \$2.00 to cover Mr. Clegg's registration fee. Please delete his name from your records.

Please submit another application with fee for the replacement of Mr. Clegg as Scoutmaster. Please be sure to attach the enclosed referral slip with the new application so that it comes directly to our attention and we can release this unit without further delay.

Sincerely,

Joseph Early, Assistant Director  
Registration and Fulfillment Service
